## Transportation Commission Meeting Minutes

January 20<sup>th</sup>, 2016

Present: T. Filorimo, J. Watson, R. Crimmins, M. Haresign, T. Maran, J. Belkin, A. Pfeiffer, V. Corrado (LiRo), R. DiBiase (LKMA)

The meeting was called to order at 3PM.

The majority of the meeting was devoted to a review of the most recent revisions to the Unimproved Roads Report with the consultant team. The comments provided regarding the latest draft are being reviewed by the consultants for further changes.

There was a discussion regarding traffic volume on various roads. Traffic volume data for many roads is available through a State DOT website. More information on this link will be provided.

The members were updated on the Bridgehampton in road lighted crosswalk which was activated in November (this was not mentioned in December).

The members were also updated on the progress in the bus shelter maintenance program; and on the needed repairs to the damaged shelter on CR 39. Commissioner Belkin expressed interest in making arrangements to sponsor the shelters in Riverside near the traffic circle.

The next meeting will be held on February 17<sup>th</sup>, 3-5PM, in the Lower Level Conference Room.
