A Resident ID confers no rights within any incorporated village. You must apply to the Village in which you seek to operate a 4x4 vehicle for such permit as the Village may issue. Resident ID is valid for the calendar year in which it is issued.

No person shall drive or operate a motor vehicle on bay beach areas or ocean beach areas unless said vehicle is registered and unless the driver or operator is covered by a liability insurance policy equivalent to that required by the State of New York for the operation of a motor vehicle upon public highways and unless said vehicle displays a permit on the front bumper to operate said motor vehicle in said area from the Town Trustees. Such permit shall be issued by the Town Trustees upon application therefor if the applicant possesses a valid license to operate a motor vehicle on public highways and executes an affidavit that said vehicle contains the following equipment: jack, jack board, tow chain or rope, air pressure gauge, tire inflation device and shovel. Permits will only be issued to four-wheel-drive vehicles.
