

BOARD OF TRUSTEES
OF THE FREEHOLDERS AND COMMONALTY OF THE
TOWN OF SOUTHAMPTON

North Sea Harbor Management Zone
NOTICE

The Board of Trustees of the Freeholders and Commonalty of the Town of Southampton hereby give notice that the North Sea Harbor Management Zone will be open for the taking of hard clams during the following periods - all dates are inclusive:

May 22, 2018 – May 29, 2018
July 3, 2018 – July 10, 2018
August 28, 2018 – September 4, 2018
December 24, 2018 – January 2, 2019

Additionally, the area will be open every **Tuesday** beginning **May 30, 2018 through September 4, 2018.**

Harvesting Limits:

- Two (2) bushels of Little Neck Clams a day
 - All such clams to measure at least one inch (1") in thickness
- There will be no restrictions on the larger Cherrystone and Chowder Clams

The Southampton Town Bay Constables have been directed to strictly enforce such limits.

Davis Creek, which is a seasonally certified creek off of North Sea Harbor, does not follow the same limitations and other commercial harvesting restrictions as the North Sea Harbor Management Zone. Davis Creek is seasonally certified for harvesting shellfish from December 1st to April 30th.
