

ROAD IMPROVEMENT DISTRICTS

2018 ORGANIZATIONAL CHART

Department Summary

Department: Benefit Assessment - Hilltop Road

Budget Year: 2018

Division: Road Improvement Districts

Tax District: Road Improvement Districts

Cost Center #: B003

Manager:

NOTES:

Departmental Mission & Responsibilities:

Town Law 200 projects typically are initiated upon petition of the property owners fronting on a private road, who desire road paving and drainage improvements.

The Town Comptroller acts as the Fiduciary for the Road Improvement Districts. The Town Engineering Division, acts as the Administrator to complete the requisite improvements in order to bring the roads up to Town standards for acceptance into the Town Highway System by Town Board Resolution.

Once a road is accepted into the Town Highway System, ongoing maintenance and improvements are borne by the Town Highway Fund. The costs of the initial improvements as a Town Law 200 project to bring the road up to Town standards for acceptance are borne by the benefitted properties that have frontage on the particular road using a formula determined by the Town Assessor. This special assessment (cost-share) for road improvements is often spread out over several years at the option of various property owners of the benefitted properties.

Workload:

Goals & Objectives:

Legal Authority:

Road Improvement Districts have been established by the Town Board, pursuant to Town Law 200. Owners of benefitted properties pay a special assessment for the specific improvement.
