LANDSCAPE ARCHITECTS- Site Planners

RIVERSIDE MARITIME TRAIL PARK

Hamlet of Riverside, Town of Southampton

PROGRAM DEVELOPMENT

- *The program is the list of desired elements, features, and uses for the park.*
- *It will evolve from the site inventory and analysis phase, community input & feedback, and the community health survey.*

INSTRUCTIONS:

Each sheet represents (1) one program element. If you like the program element, please place (1) star in the lower portion of the page. Please, only (1) star per person per page.

If a program element is not important to you, do not place a star on the sheet. Note, images shown on the program pages are conceptual and are meant to help visualize what the program element may look like.

After you have reviewed each page and had the opportunity to provide your input, please pass on to the person sitting next to you.
