**Amos Goodman:**

Candidate for Suffolk County Legislator;

**Amos spoke about his plans if elected;**

- 1- He is a supporter of the aviation industry and does not like restrictions proposed by the EH Town Board.
- 2- He is against patronage in the County.
- 3- Wants to get the public involved more
- 4- wants more public access to CPF lands
- 5- Likes the CPF fund but thinks it might have outlived its usefulness
- 6- Would like to improve Public Transportation in the County, more handicapped access.
- 7- Was not opposed to King Kullen shopping area on Rt. 39
- 8- He is still developing his plans to move forward

**Airport decision on restrictions** will be on April 16th, we are hoping for passage of the 3 remaining laws.

Bob will discuss more in May

We discussed the many issues that were raised at the CAC/Civic meeting on April 9th. The meeting was a discussion of the many issues we all face living in the various hamlets and villages in Southampton.

Water Pollution

Over Development of the Town

120 foot communications tower in Bridgehampton

What new laws could be passed to help control abuses by developers

A neutral way to decide who does environmental studies on new development

How we can better work together to advise the town Board on these issues?

**Action:**

We will continue to advise the Board of our problems and hope we can cause some meaningful change.
