The Jan. Minutes were approved.

Old Business

- The Hills: The DEIS was returned for additional information. Once resubmitted, there will be a comment period for CAC.
- We discussed the nitrogen action plan being developed by the NYS DEC and LI Regional Planning Commission to address the level of nitrogen in the waters around Long Island, the actual as of right alternative to The Hills development.

New Business

- The Hampton Bays Civic Association held a meeting entitled “Water Initiatives: What’s Next?” on Jan. 25, 2016 with Dr. Chris Gobler, Dan Gulizio, Executive Director of Peconic Bay Keeper, & Jennifer Garvey, Associate Director at NYS Center for Water Quality technology. Health of the bays, affordable septic, county data and the expanding focus of PBK were discussed.

Meeting adjourned at 8:05 pm.

The next meeting is scheduled for March 9 at 7pm in the East Quogue School library.

Respectfully submitted,

Joyce Roper
