Help keep our Playground Areas safe as we navigate through COVID-19 by following all rules and procedures.

- Do not enter the playground area or use the equipment if you or any member of your household is currently experiencing symptoms of COVID-19.
- This facility is use at your own risk. Equipment may not be sanitized on an on-going basis.
- Wash hands with soap and water for 20 seconds, or use hand sanitizer, prior to entering and after leaving the playground area.
- Stay at least 6 feet away from others.
- Face coverings are required when in the playground area or on the equipment, except for children under age 2 and those who are medically exempt from wearing a face covering. Children under age 2 and/or persons medically exempt from wearing a face covering must remain 6 feet away from others at all times.
- Shoes are required.
- Be considerate of others waiting to use equipment.
- Park personnel may need to limit the number of visitors to the playground, or clear the area for cleaning. Follow all instructions of Park personnel.
