## **IMPORTANT MESSAGE REGARDING HOUSE NUMBERS**

Southampton Town Code, Chapter [123-10F](#) will require that all Town residents display house numbers. The law requires that you use only the number assigned by the Town. **NO OTHER NUMBER SHOULD BE DISPLAYED AND NO INSPECTIONS WILL BE DONE BY THE BUILDING DEPARTMENT AT PROPERTIES WITHOUT A HOUSE NUMBER.**

If you have a different number for postal delivery, please file a change of address with your post office immediately. If your tax bill does not list a street number, or if you have a question regarding the law or the number assigned to you, please call the Assessor's Office at 283-6000

The following is a description of the manner of display and the style and size of the required house numbers:

### **A. Manner of Display.**

1. During construction period. The owner of a land parcel for which a building permit has been issued shall have the street address number displayed on a sign or a post located at the front of the property. In the case of a flag lot, at the street entrance of flag.
2. Existing and newly completed buildings. The owner of an existing building or newly completed building shall have the street address number displayed by permanently affixing or painting numerals, letters or script, stating the number, to the front of the building. Where the building is not close enough to the street, or is not readily visible from the street, the street address number shall be permanently affixed to a sign, post or mailbox located at the front of the parcel or lot where the building is situate.

### **B. Style and Size of Numbers.**

1. The numerals, letters or script used to display the street address number of the building shall be painted on a plaque or the front of the building, or made of metal or other durable material. The numerals, letters or script shall be at least four (4) inches in height. All street address numbers shall be displayed as to be easily seen from the street by both pedestrians and drivers of vehicles.

The proper posting of your house number will assist the Building Division during the inspection process and ensure prompt and timely inspections.
