Professional Experience

Charles Voorhis is a professional planner (AICP) and a certified environmental professional (CEP) with both private sector and public sector experience. Mr. Voorhis has managed municipal projects including regional and local planning studies, wetlands and shoreline restoration, environmental impact statements, permit compliance and environmental analysis. Charles Voorhis has over 35 years of professional environmental planning experience, including the position of Director of Environmental Protection of the Town of Brookhaven, supervising the environmental implementation of the Town of Brookhaven Comprehensive Plan Update and secured grants under the Local Waterfront Revitalization Program. As a private consultant for over 23 years, Mr. Voorhis has managed environmental planning and analysis of large scale planning and development projects throughout Nassau and Suffolk Counties. Recent projects include a study to eradicate aquatic invasive/nuisance species in upper and lower Canaan Lakes, Yaphank, stormwater management studies on the north and south shores for the Town of Brookhaven and Town of Islip, completion of the Water Supply Management & Watershed Protection Strategy for the Town of Southold, completion of the Suffolk County North Shore Embayments Watershed Management Plan, and completion of the Lake Agawam Comprehensive Management Plan, as well as numerous environmental impact statements, wetland and shoreline feasibility analyses and management plans. As Managing Partner, Mr. Voorhis will provide oversight for all phases of the project and provide professional insight with respect to policies, projects, and recommendations for implementation and consistency review

Project Experience

- Great Cove Watershed Management Plan, 2011
- Town of Southold Comprehensive Plan Update, Economic Chapter, 2010
- Beaver Dam Creek Watershed Management Plan, 2009
- Lake Agawam Comprehensive Management Plan, 2009
- Southold TDR Planning Report and GEIS, 2008
- The Residences at North Hills, DEIS and FEIS, 2005-06
- Town of Southold Comprehensive Implementation Strategy, 2003
- Southampton Agricultural Opportunities Subdivision, DEIS, FEIS and Findings, 2001

- Northeast ARC Users Group (NEARC)

Professional Experience

Lara Urvat holds a Master's Degree in Applied Ecology and a Bachelor's Degree in Biology with a focus in Environmental Science and has training and experience in field methods for terrestrial and marine environmental monitoring, ecological modeling and field assessments and GIS analysis. Ms. Urvat conducts environmental impact analysis and has participated in a number of ecological and land use management plans, including the Shelter Island Watershed Management Plan, Lake Montauk Watershed Management Plan, the assessment of barriers to fish passage on six south shore streams and Beaver Dam Creek Watershed Management Plan under grants from the NYS Department State. Ms. Urvat was the prime author of the LWRP Section II – Inventory and Analysis for the Town of Oyster Bay LWRP. Ms. Urvat will play a key role in the preparation of the LWRP reports, in inventory and assessment of natural resources, habitats and water quality aspects of the study area.

Project Experience

- Lake Montauk Watershed Management Plan, Town of East Hampton
- Shelter Island Watershed Management Plan
- Great Cove Watershed Management Plan, Town of Islip
- Beaverdam Creek, Watershed Management Plan, Town of Brookhaven
- Inventory and Analysis of Barriers to Fish Passage for Six Long Island South Shore Estuary Reserve Tributaries
- NEERS Presentation—A Method for Mapping and Prioritizing Diadromous Fish Passage Restoration, May 2011
- Town of Oyster Bay Local Waterfront Revitalization Plan
- Goldsmith's Inlet Draft EIS, Habitat Assessment, Endangered/Threatened Species Assessment
- Willow Wood at Coram Revegetation Plan
- Enchanted Forest Open Space Management Plan
- Artist Lake RTE Species Investigation
- Cold Spring Pond Park Ecological Investigation
- Cenacle Sisters Convent Expanded EAF, Endangered Species Permit, Wetlands Permits
- DeForest Williams Hedge Garden Survey & Expanded EAF
- Sandy Hills, Middle Island, Draft & Final SEIS
- Competition Toyota Draft & final SEIS
- Eastport Hamlet Centre Draft EIS
- North Manor Estates, Expanded EAF, ACOE Wetland Delineation
