

# HOUSEHOLD HAZARDOUS WASTE DISPOSAL

Southampton Town offers four collection days for residential household hazardous waste, with each of the Town's four Recycling Centers hosting one event. Please see the schedule below for the dates at a Recycling Center nearest you.

During the collection day events, residents may bring such items as oil-based paints, pesticides, household cleaners, automotive fluids, pool chemicals, photo chemicals, wet cell batteries, etc.

## COMMERCIAL WASTE IS STRICTLY PROHIBITED

Household products that are deemed toxic may be accepted at the town facilities **ONLY DURING THE COLLECTION EVENTS.**

Disposal at other times is regulated by state and federal environmental law and is strictly prohibited.

For more information regarding the Town of Southampton's Stop Throwing Out Pollutants (STOP) program, please call the Town Recycling Office at (631) 283-5210.
