

**TOWN OF SOUTHAMPTON
ENVIRONMENT DIVISION
NOTICE OF ADMINISTRATIVE WETLANDS PERMIT**

Permit No.: WAP21021

Date of Receipt of Application: 03/31/2021

Project Title: Sandy Russell

Project Location: 49 Huntington Lane, Water Mill

SCTM No.: 0900-103-01-29

Description of Permitted Activity: To install fence lines for security and residential screening purposes, as well as to prevent unauthorized trespassing, including installation of approximately 107 linear feet of six (6) feet high wood stockade fence, beginning at the northeast corner of the property and running along the easterly property line to a point approximately 40 feet landward of the surveyed tie line and southeast corner of the property, and installation of a secondary lower 4 feet high wood stockade fence or alternative fence type, not exceeding four feet high, running seaward along the easterly property line, from the seaward terminus of the authorized six feet high fence, to the existing shorefront hedge line and associated wire fence, adjacent to wetlands, at existing residentially developed property fronting a dug channel and associated town regulated wetlands in Water Mill, Town of Southampton, Suffolk County, New York, as depicted on the attached survey prepared by Squires, Holden & Weisenbacher, dated July 11, 1979.
