

**TOWN OF SOUTHAMPTON
ENVIRONMENT DIVISION
NOTICE OF ADMINISTRATIVE WETLANDS PERMIT**

Permit No.: WAR220013

Date of Receipt of Application: 04/11/2022

Project Title: Growly Pond, LLC.

Project Location: 471 Sagaponack Road, Village of Sagaponack

SCTM No.: 0908-003-02-03

Description of Permitted Activity: Renewal of Wetlands Permit No. WAP170007, which was issued on December 29, 2017, in order to grant approval to undertake a pilot phragmites management project, in the interest of enhancing native biodiversity, as well as succession and recovery of naturally occurring wet meadow and fresh marsh vegetation, including, among others, swamp rose mallow (*Hibiscus moscheutos*), joe-pye-weed (*Eutrochium purpureum*), soft rush (*Juncus effusus*), marsh fern (*Thelypteris palustris*), jewelweed (*Impatiens capensis*), and tussock sedge (*Carex stricta*), along a portion of the shoreline of Sagaponack Pond, by repetitive selective hand cutting and removal of phragmites shoots/stems/stalks to a height of approximately six inches above grade, and by raking and removal of existing ground covering dead plant material or thatch without disturbance to other native vegetation, as well as by selective hand cutting and removal of non-native nuisance vegetation including invasive multiflora rose (*Rosa multiflora*), grape (*Vitis sp.*) and mile-a-minute (*Persicaria perfoliata*), with the authorized work to be completed during periods of non-flooding, twice yearly, in the month of March when the ground is frozen and in August, for a period of three years from the date of wetland permit issuance, within approximately 3200 square feet of Village and state regulated freshwater and tidal wetlands, including, among others, a two ft. wide strip on the east side of the existing dock, at residentially developed property in the Village of Sagaponack, Suffolk County, New York, in accordance with the **“Phragmites Removal Plan for Susan Farrell 471 Sagaponack Road, Village of Sagaponack, SCTM No. 0908-03-2-3”** prepared July 27, 2017 by En-Consultants, last revised November 13, 2017 as well as the survey, as prepared by Martin Donald Hand, dated October 6, 2014, last revised June 21, 2017.

On February 16, 2021 Administrative Wetlands Permit No. WAP170007 was transferred from Susan Farrell to Growly Pond, LLC, by issuance of Administrative Wetlands Permit WAT200017, and renewed by the issuance of Administrative Wetland Permit No. WAR210006 and subsequent granting of a six month COVID extension, thereby setting the expiration date to June 29, 2022, prior to issuance of WAR220013.

Permit Approved
