Source: New York State Department of Transportation (NYSDOT), October 2007.

Notes: ¹Other category includes accidents reported as "other" by NYSDOT; collisions with animals, trees, buildings/walls, barriers, fences, curbing, ditches, and bicyclists; and fire/explosions, submersions, and rollovers.

²An accident is considered to be non-reportable by NYSDOT if there was no personal injury and either (a) no motorist report was filed; (b) no dollar value of damage was entered on the accident report; or (c) the amount of vehicular damage did not exceed a specified amount (\$1,000).

³This intersection is not within the vicinity of the Montauk Highway Alternative.

⁴Non-intersection accident (adjacent link).
