I hereby grant permission to the Town of Southampton Environment Division to enter my property and consent to inspection of the project site and adjacent property areas in connection with the within application for a Wetlands Permit. Town Environment Division staff may enter the property without prior notice between 7:00 am and 7:00 pm, Monday – Friday. If the property is posted with "keep out" signs or fenced with an unlocked gate, Town Environment Division staff may still enter the property. Town Environment Division staff may take measurements, analyze site physical characteristics, take soil or vegetation samples, sketch and photograph the site. I understand that failure to give this consent may result in denial of the permit(s) sought by this application.

By signing this consent form, the signer agrees that this consent remains in effect as long as the application is pending and in the event of approval this consent shall extend to cover the period of time from the issuance of either an Administrative Wetlands Permit or a Resolution of Conditional Approval until the time that a Certificate of Wetlands Compliance is issued, and this consent is effective regardless of whether the signer, applicant or an agent is present at the time of the inspection. In the event that the project site or facility is posted with any form of "posted" or "keep out" notices, or fenced in with an unlocked gate, this permission authorizes Town Environment Division staff to disregard such notices or unlocked gates at the time of inspection.
