Absent: 1) Larry Toler, 2) Vicki Farrugia

Correspondence: Letter read from Town Highway Dept. about the fall leaf clean-up dates.
Letter from Fred Theile's office regarding Route 24 and the NYS DOT safety Improvements.

New Business; Chairman opened the floor for discussions on the reorganizing the CAC since there hasn't been in a meeting in over a year. We needed to establish some guidelines. Rich found a set of rules established by the Town, Chris asked to read them. Tammy suggests to place an advertisement in paper about the organization. 2 new attendees wanting to be members, but first we "all" needed to be reappointed by Town Board first, this was according to the Town rules just read. New members, Chris Sheldon and Denise Naso. It was asked is there a deadline for minutes to Town? Question was stated "Is the 3 Wednesday for our meetings good for everyone"? Chris said if we make to the last Wednesday it might be too close to Bayview View Pines and FRNCA meetings. Rich to ask Town about future dates. Roe suggests we contact Southampton Press and let them know the Flanders CAC is back. One statement Rich said, was to contact Chief Wilson and have Police on night patrol do like they originally did in the past and report street lighting that's out for safety reasons. It shouldn't be our responsibility to stop on the shoulder of the a dangerous road, get out and look for numbers. Ida's once told everyone about mailbox numbers being numbered, Rich asked we contact our mailman and ask him to keep us a list of boxes with or without proper numbers. Tammy asked if we had a budget? Chris suggested CAC maybe have a website.

Meeting Adjourned @ 9:00 pm
