DISCUSSION ITEMS

Mark Matthews gave a talk about the Conscience Pt. shellfish hatchery. He wanted to acknowledge the following in kind contributors: Ocean Electric, Bill Mahoney, Liberty Iron Works, One Source Tool, Norsic Sanitation, Southampton Excavation, Terry Contracting, Southampton Town Trustees, Southampton Town Board, Green Logic Solar. Thank you for your generous support, and we encourage people to support these fine businesses.

First Coastal Corp. for the North Sea Colony for the beach replenishment plan. The County will be dredging channel at Towd Pt. There was a discussion of the sandbar in front of the inlet which the CAC thought should be removed because the boats exiting the inlet have to swing right, proceed close to shore near swimmers, and then make a left into the bay. Removal of the sandbar will be the safest route to the bay. Mark offered to ask Aram to come to a future meeting to discuss.

Stachecki Property - Challenge of the ZBA C of O for use Schedule for Oct 17th. (since adjourned until Nov. currently scheduled for NOV 21.
