

SOUTHAMPTON TOWN POLICE EXPLORERS

SHOE DRIVE COLLECTS 1200 SOLES FOR SOULS

We asked and the community answered! The Southampton Town Police Explorer Shoe drive was a huge success, collecting over 1200 pairs of shoes. The drive surpassed our goal of 1000 pairs of shoes because we, as a community came together to provide much needed assistance to others. This program creates jobs, provides shoes to those in need, and keeps discarded shoes from our landfills.

The drive began October 1st and was scheduled to last until October 31st, but due to the overwhelming response we actually collected shoes up until December 4th. The Explorers packaged all 1200 pairs of shoes for delivery to a Soles4Souls representative.

We are happy to announce that Southampton Town Police delivered the shoes to Soles4Souls representatives in Farmingdale to help further their mission of creating sustainable jobs for those in need around the world.

The Southampton Town Police Explorers are looking forward to continuing to work with our community to build more outreach projects to help our community
