NATIONAL DRUG TAKE BACK DAY

Southampton Town Police Department and the Southampton Town Police Explorers will be participating in the Drug Enforcement Agency's National Drug Take Back Day on Saturday October 23, 2021 from 10:00 am to 2:00 pm. We will be collecting expired and unused medication for safe disposal.

Collections sites will be established at the following locations; The Hampton Bays Community Center, 25 Ponquogue Ave; the Flanders Community Center, 655 Flanders Road, and the Southampton Town Police Substation at the Bridgehampton Commons, 2044 Montauk Hwy.

Unused medications that are not disposed of properly can wind up in the hands of our most vulnerable populations, and flushing medication will ultimately wind up in our aquifer and pollute our drinking water. Help keep our community safe and clean by turning in your unused medication.

This service is free and confidential. Liquid medications, syringes, sharps, and thermometers cannot be accepted.

For more information please call the Southampton Town Police Department at (631) 702-2254.
