

TOWN OF SOUTHAMPTON ADULT DAY CARE PROGRAM

Our Social Model Adult Daycare Program provides Alzheimer's patients and those who are otherwise cognitively impaired with socialization, nutrition and invigorating programs. While under the supervision of staff, clients will participate in exercise programs, word & memory games, current events, reminiscing, art, music and dance programs.

We also provide maintenance and enhancement of daily living skills, transportation, a daily lunch and caregiver assistance in the form of a Caregiver's Support Group via ZOOM that meets monthly.

If you are looking for a stimulating program for your loved one and respite for yourself, we are here for you.

We are open 5 days a week (M-F) from 8am –2pm
