DRAFT

**Re: Monthly Progress Report for July 10, 2022 to August 10, 2022**  
**Former Damascus Landfill.**  
**East Quogue, New York**  
**NYSDEC BCP Site #C152253**

Dear Ms. Sweet,

The Town of Southampton is pleased to submit this progress report to the NYSDEC regarding the remedial activities at the Former Damascus Road Landfill.

Since the previous Progress Report was prepared for the above-referenced site, additional activities that have been completed include the following:

- Completed remaining landfill boundary monitoring wells (LB-03S, LB-04S and LB-04I).
- Developed all monitoring wells installed in June and July 2022, a total of 8 wells.
- Completed surveying to create new site base map.
- Drafted new base map for the site.

In the following month, we plan to perform the following:

- Sample all on-site monitoring wells including the existing NYSDEC wells (a total of 16 wells).
- Draft summary report discussing on-site groundwater data and recommendations for on-site soil borings.

Please feel free to contact me at 631 283 6055 x 1865 if you have any questions.

Respectfully,

A handwritten signature in black ink that reads "Francis Zappone". The signature is written in a cursive, flowing style.

Francis Zappone  
Deputy Supervisor
