Notes:

COPYRIGHT 2019, COUNTY OF SUFFOLK, N.Y. Real Property Tax Map parcel linework used with permission of Suffolk County Real Property Tax Service Agency.

This official Zoning Map, adopted by the Town Board of the Town of Southampton on June 8, 1999, supercedes all prior maps. Any subsequent revisions are outlined below.

Areas within the Central Pine Barrens Overlay District as shown should be confirmed with the boundaries set forth in Section 57-0107 of the Environmental Conservation Law (Long Island Pine Barrens Maritime Reserve Act).

The Tidal Wetlands & Ocean Beach Overlay District includes all Tidal Wetlands which are defined as being:

All those areas within the Town of Southampton customarily inundated at mean high water level tides, & including intertidal salt marshes, which shall be presumed to be those areas upon which grow some, but not necessarily all, of the following:

salt marsh grass (Spatina alterniflora), block grass (Juncas feradi), salt meadow grass (Spartine patens), spike grass (Distichlis spicata), & sand spurry (Spergularia marina), and upon which exists salt marsh peat.

And the ocean beaches which are defined as being:

the beach, shore or strand area lying between the mean high water level and the southern edge of the natural grass on the dunes.

* Local Law 49 of 2001 eliminated QPSUD as an floating zone from the Town Code, however, the QPSUD approved prior to the LL49 of 2001 are still in effect and are governed by both the local law that approved the applicable QPSUD (as referenced on the subject parcel), and the underlying zoning district as may be applicable.
