The Suffolk County Department of Transportation has undertaken a comprehensive transportation planning study of Suffolk County Road 39. The Corridor Study of CR 39 will develop, evaluate, and identify long-term roadway and transportation system improvements to reduce traffic congestion, minimize local detours, and improve safety along County Road 39 and its surrounding corridors. As a critical step in the study, the Department will host a Public Information Meeting to:

- **Provide an overview of the Corridor Study of CR 39**
 - Project Background
 - Project Goals
 - Project Tasks
 - Project Schedule
 - Project History & Needs
- **Questions & Answers**

Public comments will be received during the meeting after the presentation.
